

I'm back! Suitably energised and refreshed and looking forward to kickstarting the business again! Call me on 451030 for bookings.

I'll be taking a month off from January 15 to visit my family in the Philippines. I haven't been there for several years so I must catch up with lots of people! Be back here on Feb 16th. On the plus side for my clients, I've already ordered some Oriental products to bring back for you! I'll be working into the evenings early January to fit all my customers in before I go.

👩 Just placed updated brochure on here. Thanks for the kind remarks this week girls, you know who you are! Best compliment for me is to see you again soon.

Mayor of Douglas Mrs Dot Pitts received an Indian Head Massage and full Dermalogica facial at the Salon this morning. She thoroughly enjoyed it and expects to be back for more, taking away a number of business cards and brochures for family and colleagues. We are very grateful for the support that Mrs Pitts gives to new start-up businesses like our own.

Thank you to everyone attending our opening party. It was good to socialise with our lovely existing customers and hopefully meet some new 'regulars'. Hope you enjoy the samples and come back for more product 🍷

To remind you of our opening offers and to let those that were not there know:
