

Good For You offer to bring something special to your event that is exceptional for your guests. What we offer makes your event stand out from the crowd and leaves your guests feeling relaxed and refreshed.

We work with you to tailor a package that is right for you whatever your event is - Product Launches, Staff get-togethers, Sporting Events, Exhibitions, Festivals, we've got it all covered!

How **Good For You** can add value to your event or venue:

- We will work with you to carefully customise an event massage package that gives your clients and guests a personal experience that goes way beyond the 'normal' venue - client relationship.
- In a matter of minutes of receiving one of our onsite massages your guests will experience a satisfying sense of calmness which will leave them feeling both relaxed and refreshed.
- Surprising your guests with a relaxing massage is an unexpected and enjoyable experience. It shows that you care for their well being and through the gentle touch of a massage you are thanking your guests for coming in a unique and personalised way.
- If you are hosting Corporate Hospitality or have designated VIP areas, a **Good For You** VIP area can be a great opportunity for added exposure for your brand and any sponsors you may have.
- Clients enjoy the benefit of tremendously increased visual exposure and a more powerful and positive association with their brands.
